- I know you're very busy, but we lost Captain Kirk. One T-Rex was chasing him last time I checked. Good luck in your recovery mission.

- Hey, man! Haven't you seen an astronaut about to be eaten by a big beast?

- Hey, dude! Haven't you seen a guy dressed in white running around like a fool?

- Look! Eggs! What if we made an omelette?
- Don't even think about touching that big, stupid thing.

- A dragon is not enough to scare a 150-kilo bald mouse. Come on, Spiderman, let's take off! I'll come back for the eggs to make a cake later
- Geez! You are heavy.

- Oooops ! I'm losing control, you're really too heavy!!!.

- Edgard, what an unfortunate thing you've done! Captain Kirk burned up completely, - And so did the shark, Professor.

- -Ok Batman, I don't like clinics. What's this bag on my head?
- Sandwiches for the road.

- Doctor Chewbacca... Doctor Chewbacca.
- Yes?
- Your patient Mr. Batman is on the run and has stole 15 roasted chickens from the kitchen.
- AHA! Notify the Carcassonne World Police immediately.

- Ah! There you are. What's with the disguise, Mr. Spiderman?

- Edgard! Quick! Shut down the gate or we'll end up being eaten.

- Hello, man, we're looking for AGLAGLA the wizard.
- I don't know him! Are you related to the Pharaoh?

- Psst .Psst . I'll take you to him. You have to go through the big wheel and then you'll meet AGLAGLA, the powerful wizard.

- Are you ready to go? What is that? A skeleton?

The adventures of Captain Kirk - Part 4

At the home of AGLAGLA, the great wizard.

- By my magic, Captain Kirk, you will come back to life.
- By my magic, Batman, your personality split is over.
- Despite my magic, Tutankhamun, I don't know how to heal your bandages.
- My name is Spiderman!

- Captain Kirk? Are you OK, Captain Kirk?
- Bloop Bloop.
- In my opinion, Edgard didn't sort Kirk's bones and the shark's bones properly.

At the Stargate base the Professor receives a call from Batman.

- Professor, we have a problem, Edgard didn't sort Captain Kirk's bones properly. AGLAGLA, the wizard did what he could, but Captain Kirk look like a big legged cod. We go back to the base.
- Edgard! Edgard! Dear, where are you? Edgard! Come see me. Come see the Professor. Where's that fool gone?

- What's with the tuna cans?
- That's all that's left of Captain Kirk. On our way back, Spiderman did a loop, Kirk didn't have a sea leg, so he fell into the open sea. Unfortunately, a fishing trawler caught him in her nets and canned him directly on board. We took three cans for you, I hope you're happy about that, Professor.

- The Professor looked disappointed! Come on, let's take off, Spiderman, I suggest to have lunch at the Black Pig Inn. I heard they have a splendid tuna salad.

- We searched all the fast food places, boss, and nothing!
- Indeed! We're going to check this black pig in. It's not very far away.

This completely crazy story exists thanks to the immense talent of all those who have contributed to the création of many fan expansions for Carcassonne.

I thank them all.

And finally.

- Oh, Great Anubis.
- There is much talk of a certain Tutankhamun in the worlds of Carcassonne. Oh! Grand Master of Egypt what should we do.
- Send spies to all the worlds of Carcassonne so I know who this Tutankhamun is.
- So be it, and let it be written.
